HARBOR LIGHT

Dear Janice -

I'll remember all the swell times we've had together. This year has been really a lot of fun. The many times at the Y and Our Club. Many of them weren't too good, but we usually found some way to live them up. I'll always remember the double we went on when you were still seeing Juddie. I was kind of stupid about that, but I guess it's because of the way I am. I'll never forget that one time at the Y when we thought we had a ride home, but we found out differently and we made a pact not to talk to any of them for two weeks. I broke it, but I don't regret it. We've really had some swell times & keep for our memories. I hope we still have more after graduation.

Best of luck to a real swell girl. I hope we can always be friends.

May God Keep Watch Over You!

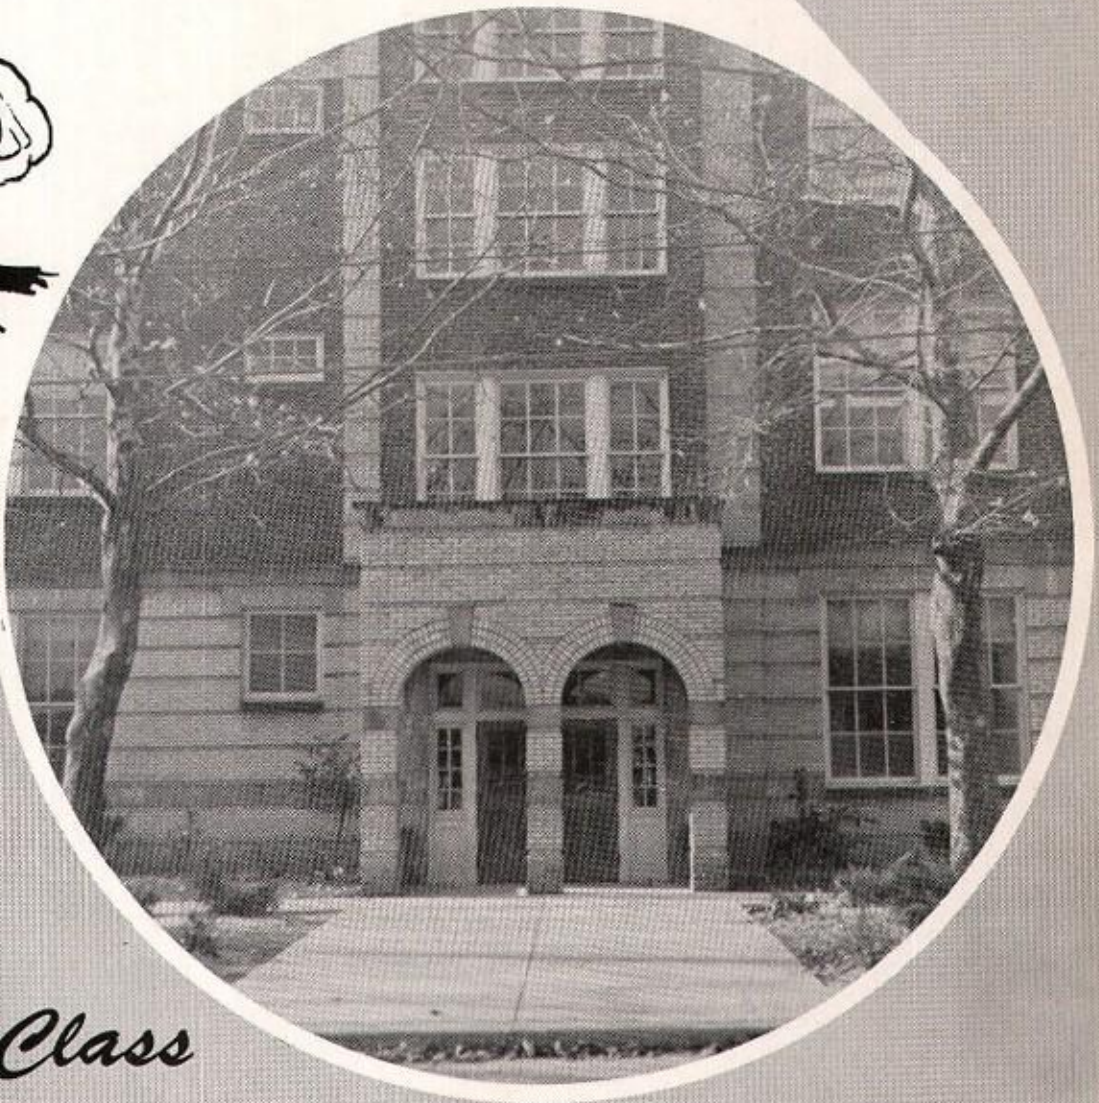

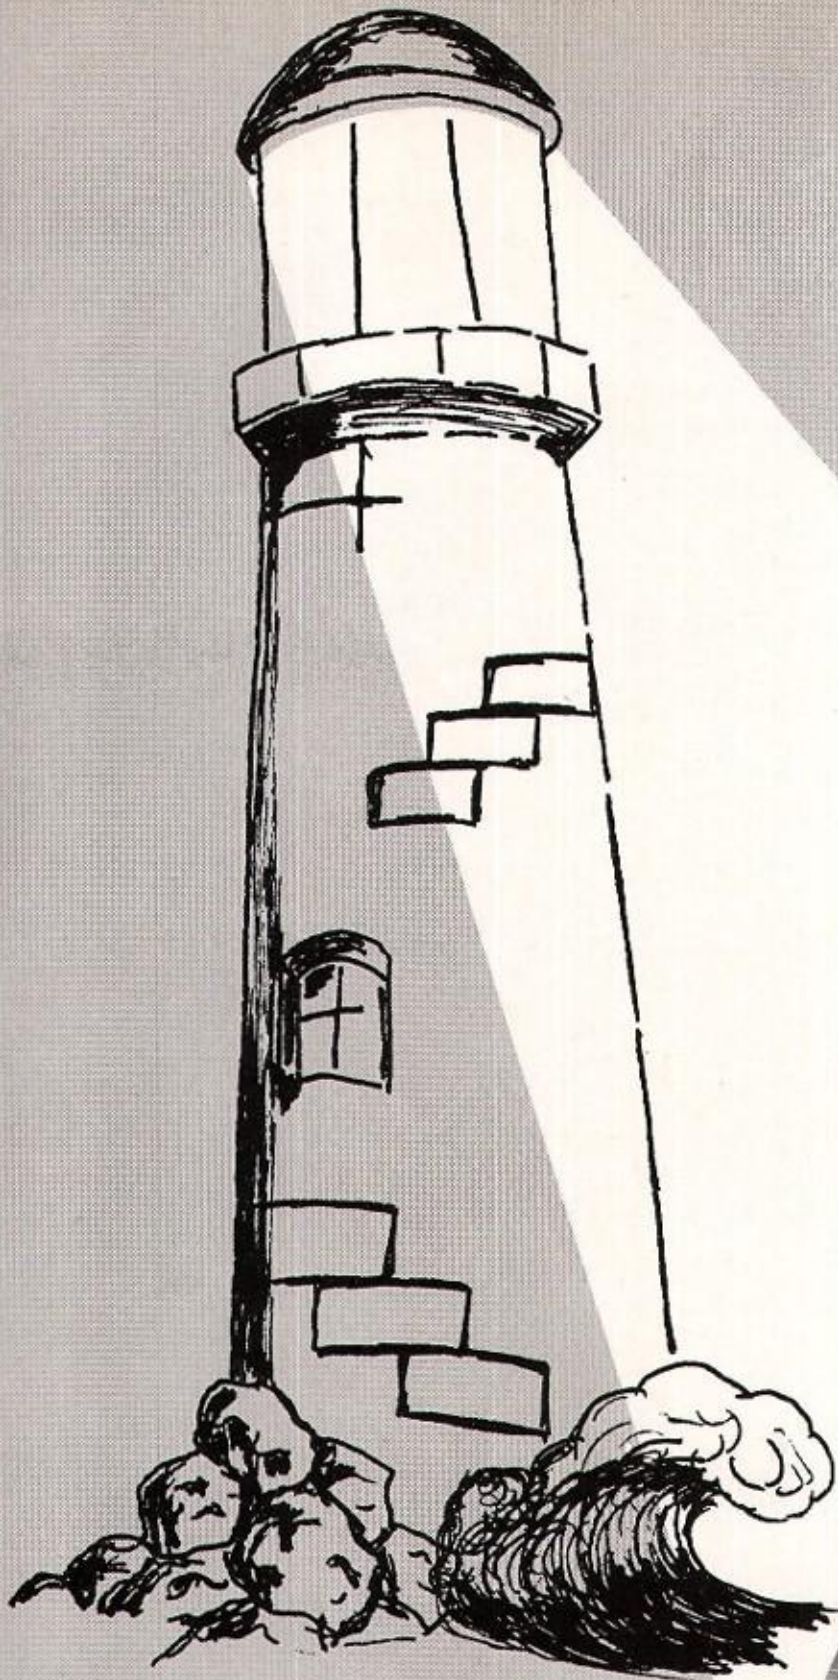

Carol

Janice -
Remember the fun we had at all the Senior Girls' Club meetings? all the business we discussed? The very best of everything in all that you endeavor.
Barbara

Janice -
Lots of the best to a fine example of a normal teen-ager. I won't forget your smile and laugh for a hundred years. All the fun in History class is something to remember.
Good luck!
God keep you!
Marylin

Ganice,
Remember
when you had
the car and a
bunch of girls went
to that party in D. Ville -
some fun huh?
Best of luck to a really
swell gal with a smile a
mile long. Always,
Alice

Dedication

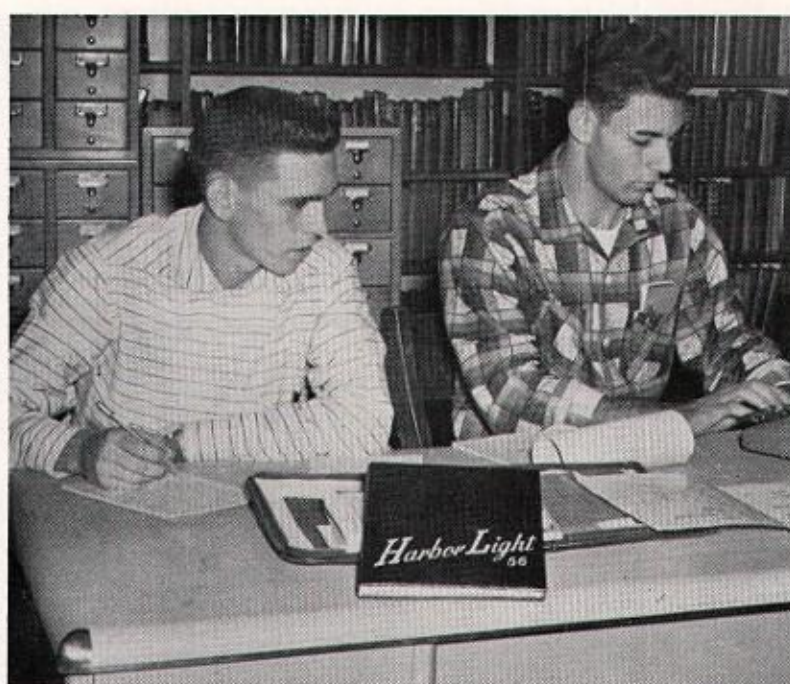

Mr. Ernest Stirm assisting students John Steinback and David Olle.

The dedicatee, Mr. Ernest Stirm, has been purposely pictured in his typical position of helping the students of Harding High School. Mr. Stirm's quiet orderly approach to his work, his example and personality have served as an inspiration to many students. For this and much more, we, the class of 1957, proudly dedicate this yearbook.

Editor-in-Chief Susan Hill discusses staff assignments with Assistant Editor Elizabeth Bacso and Feature Editor Carolyn Olle.

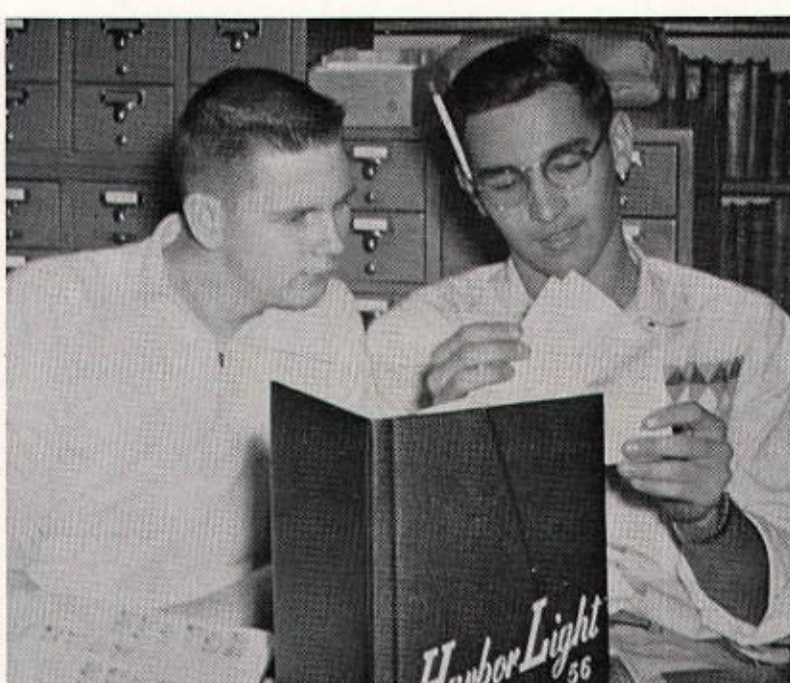

Business Manager Robert Holpit types lists of advertisers with Assistant Bruce Mackey.

The Harbor Light Staff

The Harbor Light Staff has worked hard and long to bring you a book full of memories, full of life like pictures that will make your school experiences fresh and vivid in future years. We have tried to set the tone in the opening pages picturing the dedicatee in a working position and including many more pictures of what the staff feels is genuinely school life. We would especially like to thank our Advisor Mr. Knapp for his understanding assistance, Miss Rosemary Mackey for typing so much of our copy, the teachers and administrators for their cooperation, and our advertisers without whose support this project would never have been possible. One and all who helped us in any way: THANK YOU

The happy boys: Sports Editor Joseph Kapostasy in a more business like scene with Staff Artist Nick Vrabel.

Photographer Richard Ellar in one of many picture studies with Assistant Richard Suomela.

Policy Makers

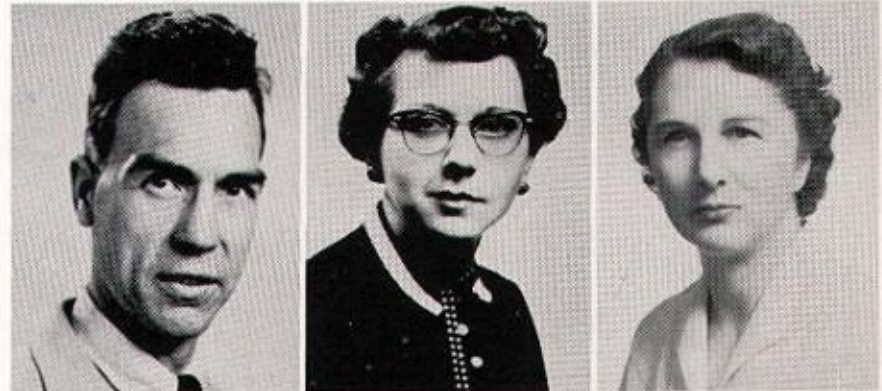

Left to right: Mr. Boley, Mr. Blakeslee, Mrs. Mackey, Mr. Hill, Mr. G. Bittner, President; Mrs. Farmer, Clerk; Mr. Williams, Superintendent.

The well-oiled machinery of the Fairport School System has come about largely through the efforts of the seven hard working citizens pictured above. Many of the policies that have added so much to the balanced curriculum at Harding have been initiated by this group. Two of the seven seats, now empty, will be difficult to fill. One of those seats has been occupied by the late Grant Bittner, for seventeen years a vital force in public education at Fairport. The other vacancy has been caused by the resignation of Mrs. Hazel Farmer, who capably served as School Clerk for a ten year period. The Harbor Light staff extends their appreciation to an effective policy making body: The Fairport School Board.

JOHN CHARLES DALY
(1939 - 1955)

HE IS NOT DEAD

I cannot say, and I will not say
That he is dead. He is just away.
With a cheery smile, and a wave of the hand,
He has wandered into an unknown land
And left us dreaming how very fair
It needs must be, since he lingers there.
And you--oh, you, who the wildest yearn
For an old-time step, and the glad return,
Think of him faring on, as dear
In the love of There as the love of Here.
Think of him still as the same. I say,
He is not dead--he is just away.

James Whitcomb Riley

This page is dedicated in respectful remembrance of the late John Charles Daly by his classmates.

Class History

Dear Harding:

We, the graduating class of 1957, wish to thank you for giving us four of the most cherished possessions of our young lives - our four years of high school.

Our freshman year found us bursting at the seams with energy and as most of the teachers will admit, we used little of this on our studies. It was absorbed as well in athletics, music groups, and plain old "horsing around."

Our sophomore year came and we were a bit more dignified; for after all, we WERE in senior high school now and no longer children. This is the year double periods hit us and we do mean "hit."

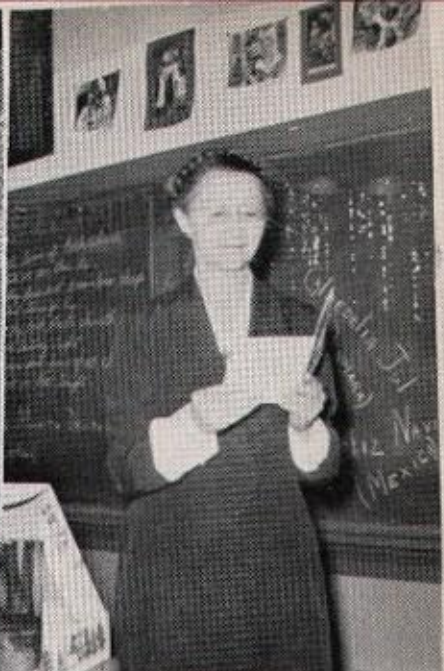

Before we realized it, our junior year was upon us and things began to develop. Athletics, the class stand, class rings, and the prom were the highlights of the year. It was obvious too that we were growing up for many of us now began to think of careers to follow. We also began to take a more serious interest in our studies.

Well, that takes us up to where we are now - graduating seniors. With mixed feelings of joy and sadness, we leave these dear old walls. We go to face the world but we will face it confidently for we know that we have had the best education possible. Harding, we thank you.

Physical Education

BROWN MEMORIAL BUILDING

The spacious gymnasium of the Brown Memorial Building is more than a haven for school athletics. It has grown to be a place where character and education is attained as well as muscles. Adults of the community have found there a place to participate in Harding's night school classes of Physical Education and Industrial Arts. Just three years old, the Brown Memorial Building and particularly the gymnasium (which is really two gymnasiums with a sliding partition) have become a welcome and highly useful addition to our school.

For Girls Only

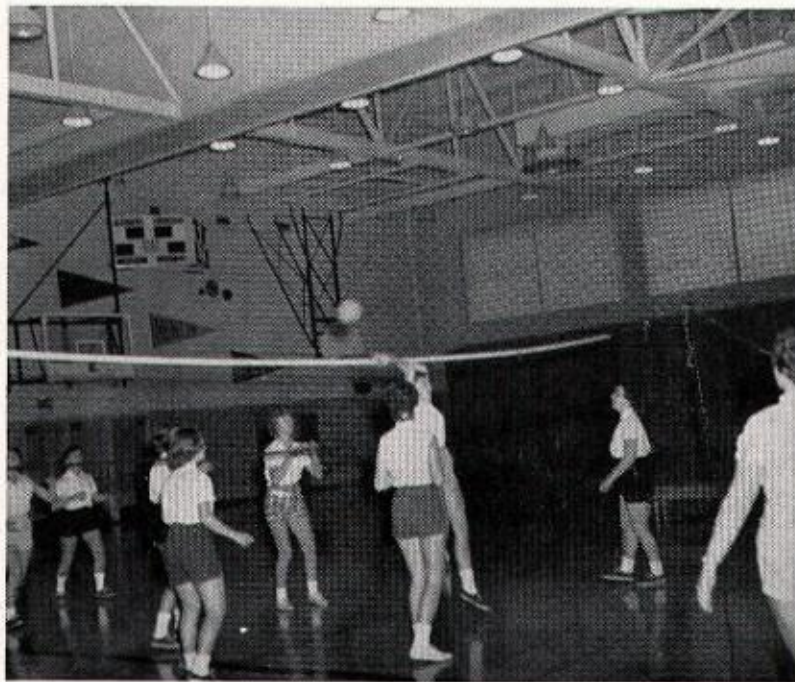

Miss Ruth Ann White, popular Director of Girl's Physical Education, has been offering a highly diversified program of physical education activities since her arrival at Harding. Presently experimenting with co-educational gym classes, Miss White has also expanded her program by adding hockey and other varied activities.

OUR DIRECTOR

For over ten years the band has been under the very capable direction of Mr. Charles E. Luoma. Band members not only receive individual lessons and band instructions, but they also receive patience, understanding and guidance from Mr. Luoma.

Our Band

The Harding High Band is made up of those students who have the ability and the desire to play musical instruments. Another necessary qualification is that each member be a good school citizen; each member must be willing to work hard.

Each year the band renders many valuable services for its school and community. The band performs at the school football games and assemblies, and presents its own concerts. It also participates in parades and district and state contests.

This year the band has been concentrating upon raising funds with which to buy new uniforms. The band has been able to raise money by participating in concerts and community functions, and by promoting functions whose proceeds go toward the band's fund.

The highest honor which can be bestowed upon a high school student was given to eight seniors on January 30, 1957. These seniors were initiated into the National Honor Society, after having been chosen on the basis of scholarship, leadership, service, and character. After the eight seniors were "tapped" by W. R. Branthoover, principal, they were welcomed into the Society in an impressive ceremony. Each initiate received a certificate and an emblem pin. Other faculty members who participated in the ceremony were Mr. Carl Williams, Mr. Charles Luoma, Miss Dorothy West, and Mrs. Mildred Martin. A reception was held in the Home Economics Rooms for initiates, parents, and faculty members following the ceremony.

FAREWELL MESSAGE TO SENIORS

Since many of you graduating seniors are now drivers, or will be drivers in the future, I want you to take a few minutes to think of the responsibility you have to society while behind the wheel of an automobile.

Driving requires your constant attention and you must be familiar with all of the rules and regulations since one mistake might cost you your life at any time. Drive safely at all times.

Ronald Van Jura leaves his warm spot on the football bench to Tom Lakso.
Nick Vrabel leaves his "devil-may-care" attitude to Tim Tomola.
Melvin Wainio leaves his height to Henry Knee.

Authors Margaret Wilson and Rosemary Mackey leave this LAST WILL AND TESTAMENT to posterity.

OUR ADVERTISING

Your support is valuable to us but... we're not asking for donations to finance our yearbook!

We agree that your ad in a yearbook is of no value unless it is read by your customers and potential customers.

But we think you'll agree that our new pictorial actions pages will be one of the best read sections of our book.

Your name and location are prominently displayed... with your merchandise and your place of business pictorially endorsed.

The COST is LESS than you would pay for an individual letter to each of our students.

Yearbook advertising is not intended to compete with news-paper ads... but year-book advertising puts your name before your customers, and keeps it there!

So see your Harbor Light Business Manager. Where else can you get so much for your advertising dollar.

Thank You
Your Business Manager

ADVERTISERS.

THANKS TO OUR ADVERTISERS

Our sincere thanks to the scores of advertisers who patronized the new book. Without their financial aid and personal help, the publication of the new HARBOR LIGHT would have been impossible.

Many Thanks

THE STAFF

1956-57 a Year to Remember

This is THE school year to remember. When we returned to school in September, we were not only confronted with new teachers, but with an adjustment from the old double period system to the new single period system. Now we had to go through the whole year with a subject instead of having it for one semester.

There were two new teachers this year. Mr. Ashman, the new shop teacher, and Mr. Rojeck whose gym classes presented quite a change from the old ones.

For the seniors especially this is the year to remember. This was the year that meant the most through our entire high school life. Now we are ready to step out into the world on our own power . . . to face the challenge of the world alone.

This year also we had the graduation of the last mid year class in high school. No more will Mr. Thomas fret and worry because his star players are graduating in the middle of the season. So we say to Janice Ticel, Roberta Alto, Rita Stenroos, Rosemary Mackey, Marlene Mackey, Margaret Wilson, Don Toth, Marvin Latva, John Brennan, Albin Ulle, Robert Ulle, Ray Nelson, Frank Quinn, Milton Thall, Richard Bell, Robert Stevens, and all your spirits that you should always remember that you were the last. One of these years you'll all be saying "I remember when . . . "

This year is also to be remembered for those helpful citizens of Fairport, service clubs, and interested community groups who came forth willingly to assist the school in securing band uniforms, athletic equipment, etc. Lest we forget, a big word of "Thanks" is also due to the advertisers for this yearbook - without you there would be no yearbook.

With all these changes and new ideas (too numerous to mention) we will all have to agree that this year was by far the best year we have all had. It will take a lot of "doing" for anything or anybody to surpass it, but if it is surpassed - it will be by nothing but the best.

Janice - So a real cool nut!!
Honestly, how can anyone
ever be like you - stupid!!??!!
Oh well, you've always been
so damn much fun. I'll always
remember all the laughs we've
had. I'll always remember your
New Year's Eve Party '57. That
was really a blast. Never
forget all the riots we had
with the old F.S.S.!! Ha! What
we didn't do!! It's really been
great knowing such a cute
little gal like you. Always
stay as wonderful as you
are! Always,
Gail

Jan -
I'll always
remember you as

forget our many
laughs. Best of
luck to a cute
